UMCOR update

Over the past few weeks, we have taken donations for UMCOR. Through those donations, Swift Memorial sent $1154.00 to help support the US Disaster Response program! UMCOR volunteers and staff are still present and working hard in the areas of our country affected by disaster.

This statement from UMCOR.ORG gives an idea of what has been done and plans for future support of the areas.

"…the people of The United Methodist Church are answering the call to help those in need and showing support for the denomination's relief agency, the United Methodist Committee on Relief (UMCOR). UMCOR-affiliated volunteers have been staffing emergency shelters, sheltering people in need, and working with evacuees where they have been relocated…UMCOR-trained early response teams are ready to be activated for the relief phase of the disaster recovery process, which includes removing debris, securing homes, and stabilizing structures damaged in the storm."
