We are looking for 2 Team Leaders in conjunction with the new Strategic Plan for Swift Memorial.

First, we need someone to lead and staff a Missions team.
The scope is local, national and global missions. As the church already has some ongoing missions work, such as the backpacks, Cape Winds, and food pantry contributions, this person would be a coordinator and contact person for the people spearheading those activities and a point person for any new mission activities on behalf of the church. They would also be the point person for any mission activities originating with the Conference or linking to mother church or other organizations. If Mission work is your passion, please contact Ann, Susan, the office, or Pastor to volunteer your services.

Second, we need a leader and a team of folks who would like to comprise our Marketing and Public Relations Team.
We need someone to create and coordinate marketing and publicity for our events, as well as for our worship services. This may involve creating strategies for ferreting out the best public service advertising channels, working with our webmasters and event teams, and handling signs, ads, and other means of creating 'buzz' about Swift Memorial and its activities in the broader community. If you've ever said, "We should do more advertising.", here's your chance to make it happen. Please contact Ann, Susan, the office, or Pastor to volunteer your services.

We shall also be looking for volunteers to comprise several **Event Teams** for suggested outreach events in 2020. Sign-up sheets will be available.
