### **Lawn Mowing**

In our continuing effort to reduce the cost of maintaining our church grounds, the Trustees of Swift are looking for volunteers to mow the lawn each week beginning May 4. The lawn mower and fuel are stored in the shed. Mowing is best done toward the end of the week or on Saturday. Please contact Melissa Anderson in the church office via phone or e-mail with your availability and she will set up the schedule. Your time and effort are greatly appreciated.

We appreciate those who are able to continue to support the church during this difficult time. We are currently working on an online giving option as well as a secured lockbox at the church

building. We will advise when these options are available. In the meantime, please continue to send your offering through the mail or the Bill Pay option of your banking institution.

Students may not be in school, but the Backpack Program continues to supply 120 Bournedale School students with daily breakfast & lunch. They have added a Grab-n-Go feature to safely get the meals distributed to families.

Food donations are still in need and your donations in the past have been greatly appreciated! We're making a change to the donation process. To eliminate the amount of times the food items are handled, **donations should be brought directly to the Bournedale School** (off of Scenic Highway) on **Mondays, Wednesdays, and Fridays from 8:00am - 12:00noon**. There will be a bin at a loading dock on the side of the school marked "donations". Please only bring donations during the noted days/times.

### **Needed items include:**

mayo, jelly, cereal, fruit cups, soup, snacks, granola bars, cookies, crackers, juice boxes, bread products (English muffins, bagels), pasta, pasta sauce, canned chicken
